GRIEVANCE REDRESSAL POLICY

Toms College of Engineering has a strong system in place to address student complaints about both academic and non-academic issues in order to advance student welfare.

Curriculum Matters

Specific committees created for this purpose address complaints regarding academic issues like admissions, internal assessment, and exams.

Aims of the Grievance Redressal committee

Grievance Redressal committees are established with the goal of giving students a forum to discuss and resolve their problems. The committees are tasked with handling student complaints and swiftly resolving them. Generally speaking, these committees' goals are:

To provide a platform for important communications and close the communication gap related to various academic matters

- To ensure that students receive prompt solutions to their problems
- To ensure harmonious student-faculty relationships
- To ensure that students receive prompt solutions to their problems
- To ensure that students receive prompt solutions to their problems
- To ensure that students receive prompt solutions to their problems.

Objectives

- To maintain a positive learning atmosphere in the institute, the Grievance Redressal Committee aims to foster a responsive and accountable attitude among all stakeholders.
- Maintaining the College's honour by ensuring a strike-free environment and encouraging friendly student-student and student-teacher relationships, among other things.
- Encouraging students to voice their complaints and issues openly and honestly without worrying about being victimized.
- Encouraging College students to treat one another with dignity and respect, and to exercise the greatest restraint and patience whenever a conflict arises.

- Cautioning all students against inciting them to act out against other students, teachers, or college administration
- To establish a monitoring system to ensure the College runs smoothly.

Scope

The Committee handles complaints that students submit in about any of the following issues.

- Academic Issues: Concerning the prompt issuance of duplicate grade reports, transfer certificates, conduct certificates, or other exam-related issues.
- Finances: Concerning fees and payments for a variety of items from the library, hostels, etc.
- Other Concerns: Concerns about various aspects of sanitation, food preparation, accessibility to transportation, etc.

Functions

Upon receiving complaints from the students, the cases are promptly handled.

The Committee meets in person to discuss each case; compiles statistics about the number of cases received, handled, and, if any pending cases that need direction and oversight from higher authorities.

Grievance Handling Mechanism

The following mechanism is in place for timely action towards grievance handling

Mentor- Mentee System- This feature is offered in the institution for the advantage and direction of the students. Students are free to discuss any personal or academic issues they are facing during regular meetings between the mentor and the mentee.

Counseling Cell- For the students' overall development, including the necessary early intervention to address any complaints, advice and guidance are provided here.

Open Door Policy- For any escalation of an earlier complaint, all students are free to personally contact the HOD, DEAN, or PRINCIPAL during college working hours.

Withdrawal- The student is free to withdraw their complaint without consequence at any time.

NOTIFICATION

Subject: Reconstitution of Grievance Redressal Committee.

Objective: Maintaining the College's dignity by promoting a harmonious student-student and student-teacher relationship, along with other things. Encouraging students to express their grievances / problems freely and honestly, without fear of being victimised.

FUNCTIONS

- Cases will be handled promptly upon receipt of written grievances from students.
- The cell will formally review all cases and act in accordance with Management policy.
- The cell will report to the authority on the cases handled and the number of pending cases that require direction and guidance from higher authorities.

Under the provisions of sub-regulation (2) of regulation 5 of the AICTE (Establishment of Mechanism for Grievance Redressal) Regulations 2012 a Grievance Redressal Committee consisting of the following is reconstituted on 05/01/2017 at Toms College of Engineering for Startups for preventing unfair practice and to provide a mechanism for innocent students for Redressal of their grievances.

ANTI SEXUAL HARASSMENT POLICY DOCUMENT

Toms College of Engineering for Startups has a committee against sexual harassment in place, is aware of the risk of harassment occurring on college property, and abides by UGC, AICTE, court orders, state laws, and the spirit of those laws to prevent any sexual harassment activities on the college campus. The college vice principal and the anti-sexual harassment committee compile all complaints involving sexual harassment.

Actions and Responsibilities

1. To address any harassment on the college grounds, including violations or reports of violence against students.
2. A victim can speak to one of the senior female staff members who are in charge of handling sexual harassment accusations if they are unable to speak with the alleged harasser directly.
3. As soon as any claims of sexual harassment are made, the senior female staff member will note the date, time, and specifics of the incident.
4. Establish the victim's preferences for the outcome, make sure they are informed of the college's complaint processing method, and then negotiate to reach an understanding.
5. To handle each complaint and provide a suitable response while adhering to college policies.
6. Identify the career opportunity lost as a result of the sexual harassment incident.
7. A rough estimate of the victim's physical therapy medical costs.
8. It is important to understand the respondent's financial condition and income.
9. Think about if a single payment or installment payment are possible.
10. Assisting the students in their efforts to stop gender discrimination and sexual harassment.
11. Girls and women are given/engaged in a variety of chances and events to become economically, intellectually, and emotionally empowered in order to encourage their development as independent individuals.

ANTI SEXUAL HARASSMENT COMMITTEE CONSTITUTION

The University Grants Commission (UGC) has advised all universities to establish a permanent cell and a committee; to develop guidelines to combat sexual harassment in light of the Supreme Court judgement and guidelines issued in 1997 to ensure the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, particularly against sexual harassment at colleges.Keeping the above guidelines in view, an Anti-Sexual Harassment Committee has been reconstituted on 15/01/2017 at Toms College of Engineering for Startups for preventing, curbing and combating any incidence of Sexual Harassment in the College and Hostels attached there to.

Toms College of Engineering has pledged to create a friendly and supportive environment where students, professors, and non-teaching staff can collaborate without fear of abuse, exploitation, or intimidation. This covers all types of sexual harassment, gender-based violence, and discrimination. Every member is expected to be aware of the organization's steadfast support for gender equality and opposition to all forms of gender-based violence, as well as its dedication to the right to freedom of expression and association.

- Cooperation of all members requested for the smooth functioning of the committee.
- Awareness for students of first year on discipline to be maintained in the college campus. The discipline to be maintained by the students of first year was discussed by the committee and it was decided to have awareness program during the induction program for first year students. All the members have agreed for the same.
- Discussion on disciplinary action to be taken on students on the misconduct.The committee discussed in-depth on the type of disciplinary action to be taken on the students in case of misconduct. During discussion it was opined that initially if a student commit any in- disciplinary action he should be warned. If the same mistake is committed by the student again then disciplinary action to be taken on the student depending on the misconduct. The disciplinary action should be such that it does not affect the career of the student.
