SWOC Analysis

Strengths

1. Good reputation for high quality teaching & laboratory based practical skills & knowledge development.
2. Equal emphasis on co-curricular and value added programs on Emerging Technologies.
3. Eco-friendly and amicable ambience for working.
4. Beyond the syllabus curriculum to make the students ready for the present global scenario.
5. Constant encouragement of faculty for pursuing Ph.D., research, advancement of qualification etc.
6. Constant mentoring, monitoring, and a strong feedback system of students.
7. Training and Grooming of students to make them industry ready and enhancing their Employability skills by imparting technical training, Soft skill, GD & Aptitude classes etc.
8. Focus on building entrepreneurship development Cell.
9. Good faculty retention due to peaceful work environment.
10. Various activity clubs viz. Tech club, Cultural club, Sports club etc., for Innovation & all round development and extracurricular activities.
11. Academic achievements of student in University examination and other platforms.
12. Achievements in placement by students in various reputed organizations and companies
13. Strong Alumni base that helps for the job generation and referral drive of junior students. They also appraise the college about any known students still jobless, who are given opportunity for new jobs through job fair.

Weaknesses

1. There is scarcity of well qualified i.e. Ph.D. and senior professors mainly in core engineering fields. However, there is continuous effort made by the management to recruit senior level faculty members from reputed institutions.
2. There is a dearth of faculty members with Ph.D. qualification even after continuous search and advertisement
3. Shortage of ample opportunity for Research Activities due to funding problem by Govt., NonGovt. & External agencies
4. Space limitation for further expansion of facilities
5. International and National Collaboration activities to be done
6. Patent registration need to be done
7. Since course curriculum is as per MAKAUT, so there is no flexibility in academic curriculum
8. Domicile Issue in the admission process

Opportunities

1. Collaboration with International and National Institutes of repute and other recognitions
2. Faculty – student exchange program with reputed National & Foreign Universities
3. Focus on Research activities & collaboration with institutes and industries
4. Involving more faculty members in research oriented programs
5. External funding for research, project and innovative programs
6. Preparing students in Soft Skill, Aptitude, GD, GATE, MAT etc. examinations
7. Enrollment of Students in Internship programs in different renowned corporate houses & industries
8. Developing Skill centre for vocational / Advanced Skill / Research Centre etc. through schemes like PMKVY – T1, PMKVY- 2, PBSSD, CSS – VHSE schemes under NSQF and 9 ITI Colleges in PPP Model.

Challenges

1. Students come with various vernacular and ethnic backgrounds and training these Bengali and Hindi speaking students in English language and developing their communication skills is really a challenging job.
2. Major Gap in course curriculum with respect to Industry standards and our inability to modify it as per present market scenario due to guidelines by affiliating university.
3. Keeping pace with continuous modification of technological advancement
4. To motivate faculty for New Product Development/Research/ R&D/ Innovation etc.
5. To attract eminent Professors, Ph.D. Holders and Researchers in Campus to share their knowledge and experience with students
6. Present lack of interest among students for engineering education
7. Stiff competition towards bringing core companies to campus for bulk hiring

Strategy Implementation and Monitoring

After approval of Strategic development plan the next step is its implementation. During implementation the progress of strategy shall be measured from time to time. Hence the measurable success indicators are clearly spelt out in the implementation document. The Principal along with Academic Council and other team member will be the custodian for strategic plan and its deployment.

Implementation at Institute Level

Governance & Administration	Chairman & Members of GB, Administration Office
Branding /Expansion	GB members, Local Management Committee, PRO
Students Admissions	Principal, HODs, Admission team, Students section
Statutory Compliance	Principal, HODs, Coordinators
Infrastructure (physical)	GB, Secretary Trustee Board, GM, Deputy Manager
Infrastructure (Academics)	Principal, HODs
Teaching- Learning	Principal, HODs, Faculty and Staff
Research & Development	Principal, HODs
Students Development	Principal, HODs
Departmental Activities	HODs and Faculty
Training & Placement	Principal, TPO & HODs
Quality Assurance	IQAC team

MONITORING OF STRATEGIC PLANS

The implementation of strategic plan will be monitored time to time by Principal, Academic Council and other committees through periodic review. The sectionheads will prepare the detailed progress report and present it in the review meetings. The benchmarking of quality standards and its monitoring, evaluation of attainment will be carried out by the IQAC independently. The IQAC will report the findings to the Academic Council and GB. With thorough analysis of outcomes and based on IQAC report, the above will recommend
